

## Carver High School

Right off the press comes the latest news at Carver High.

The entire student body heard the State of the Union Address by President Truman in assembly on Monday at 1:00 P. M. It was received by everyone as a challenge message. A number of our graduates and high school boys will be affected by our oncoming World War III.

The team's Teachers met Monday evening to their regular meeting. The Supervisors, Mr. Price, gave a report of her trip to the North American Society Meeting held in Smithfield, Virginia. The continuance of the Dental Clinic was also discussed.

The 11th grade is busy searching for material on different topics to make a report consisting of at least 1000 words. You should see this work. Wonderful, special!

The 11th grade Home Economics club met last night. They will begin their dinner unit next week. We are glad to see Marjorie Reed back after her recent illness. Also Rachel Pankey.

May Evans has just returned from Washington after visiting relatives and friends over the week-end.

Tenth Grade History is very much interested in their work, since they are studying Christianity.

The Tenth Graders are wondering if Mr. Clay is going to take them on a trip again this year, as they visited the General Assembly in Richmond last year.

The Seniors are working hard on the term paper which is due in March in English 12. They will consist 1000 words. You should see this work. Wonderful, special!

"IN THE HEART OF LYNCHBURG, VA."

From where I sit... by Joe Marsh

Friendship—Four  
Thousand Miles Apart

Never quite got the hang of how to play chess myself, but I'll say this for the game—it started one of the strongest friendships I know of: between Dad Wilson in New York and a fellow in Sudbury, England.

The two of them have never met or seen each other—but for eight or nine years they've been playing chess by mail together. Dad picks up over the Englishman's latest letter, takes a couple of days to think it over, and then mails a chart of his next move.
